

Part-Time Day Shift Sweeper Operator

Have you worked hard to gain valuable experience? Do you enjoy working independently and take pride in the job that you do?

Consider a career in street and parking lot sweeping!

Successful equipment operators and drivers in our industry have come from a variety of backgrounds. Construction workers, farmers, material handlers, laborers, mechanics, landscapers, and those who have experience in janitorial and maintenance positions have found a fulfilling career in street and parking lot sweeping. Hard workers who hang drywall, do roofing jobs or paint houses, people with experience as truck drivers, equipment operators, tractor drivers, trash or garbage truck drivers, and those who have been Vactor operators have found their greatest career opportunities in our industry! It's time you put your experience to work!

Asphalt Enterprises is looking for drivers and equipment operators who can work day shifts. Successful candidates will:

- be at least 21 years of age
- be able to lift 50 lbs or more
- have a high school diploma, GED, or equivalent work experience
- have a clean driving record and background check
- be able to pass a drug screening
- operate a street sweeper skillfully and safely
- perform daily maintenance on equipment
- follow directions
- perform on-the-job training
- have excellent English verbal, written, and reading communication skills
- be comfortable with working outdoors in all weather conditions

This is a part-time day shift position. Current hours average approximately 15 to 20 hours a week working on Tuesdays, Thursdays, Fridays or Saturdays, and occasionally Sundays.
