

Sweeper Operator -Full Time and Part Time available

Company Description:

Established Asphalt Maintenance and Sweeping Contractor in Raleigh and Research Triangle Area with over 30 years of experience in providing complete and personalized services.

Seeking a full-time and part-time Sweeper Operator:

Have you worked hard to gain valuable experience? Do you enjoy working independently and take pride in the job you do?

Consider a career in street and parking lot sweeping.

Successful equipment operators and drivers in our industry have come from a variety of backgrounds. Construction workers, farmers, material handlers, laborers, mechanics, landscapers and those who have experience in janitorial and maintenance positions have found a fulfilling career in street and parking lot sweeping. Hard workers who hang drywall or do roofing jobs or paint houses, people with experience as truck drivers, equipment operators, tractor drivers, trash or garbage truck drivers and those who have been forklift operators have found their greatest career opportunities in our industry.

It's time you put your experience to work.

Asphalt Enterprises is looking for drivers and equipment operators who can work night shifts.

Successful candidates will:

- Be at least 21 years of age

- Be able to lift 50 lbs or more

- Have a high school diploma, GED or equivalent work experience

- Have a clean driving record and background check

- Pass drug screening

- Operate a street sweeper skillfully and safely.

- Perform daily maintenance on equipment.

- Follow directions.

- Perform on-the-job training.

- Must have excellent English verbal and written/reading communication skills.

- Must be comfortable with working outdoors in all weather conditions.

This is a 3rd-shift position. Hours vary by route and day of week
